

Quick Start Activity

Set up an account on the [California Career Center](http://www.calcareercenter.org/Portfolio/Profile) (Career Center) account creation page at <http://www.calcareercenter.org/Portfolio/Profile>. Enter the following required information:

- E-mail address
- Password
- First Name
- School
- Zip code
- Grade

Select your top three reasons for coming to the Career Center.

After your account is established and you are logged on, select “My Stuff” in the top navigation bar then select “Explore”. After the page loads, notice that the Career Center generated suggestions of content pages that might be of interest to you based on your top three reasons for coming to the Career Center.

Choose pages that look interesting and explore them.

What content pages are listed the first time you went to your “Explore” page?

Which pages did you choose to explore?

What did you learn that was new to you by exploring these pages?
